

Individual Chapter Presentations

As part of their program of work for the year, all state officers have been trained and are prepared to present individual workshops at your school and to your chapter members. These mini-workshops (15-40 minutes depending on chapter desire) are a new service that this year's state officers will be offering to local chapters. All state officers are trained to teach these fun and interactive workshops. Please contact an officer nearest you to come and do one! Just pick from the following four topic areas...

- **Competition: Stepping it Up a Notch**
Are you ready to reach your fullest potential in the competitive aspect of DECA? This informative and educational workshop will show even the most experienced competitors tips and hints on how to improve your role play and testing skills. By learning from some of the best competitors to come from the great state of Oregon, you will learn to differentiate yourself from the crowd and stand out in competition.
- **Taking Chapter Recruitment to the Next Level**
Being successful in recruiting DECA members can not only help increase your membership, but also increase the fun of your chapter. This workshop has been created to encourage chapter recruitment in fun and exciting ways. Throughout this workshop, you will be introduced to inactive ways to build membership and maximize your chapter recruitment. You will also learn about ways you can be rewarded for your recruitments efforts. With the knowledge gained, your chapter will be sure to experience successful recruitment and have a fun year.
- **Becoming the Next Chapter of the Year**
Do you want to get your chapter recognized? Do you want to receive trophies? And do you want your chapter to show that your chapter is the best? Well, this workshop will introduce you to "Chapter of the Year" and help your chapter get recognized for things you are already doing in your chapter. This workshop will help you brainstorm your ideas on ways to make your chapter stronger as well as getting your chapter on stage at SCDC.
- **Developing Lasting Chapter Partners**
Come learn how to gain funding as well as gaining business professional members. In this workshop you will learn one chapter gained over 32 business professionals as well as \$3,000. This interactive workshop will explain the ABC's of gaining as well as keeping these partners throughout the years.
- **DECA's Great History**
Are you a DECA member? Do you know when DECA was first chartered? Do you know when Oregon DECA was chartered? Curious, this workshop is designed to help you discover the history of DECA and how this organization was formed and what it stands for. As a DECA member, knowing the history of DECA is essential in truly encompassing yourself into what it means to truly be a DECA member. So join in on this educational workshop and truly find out what it means to be a DECA member.
