Chapter: _____

All advisors and chaperones will be needed to assist with competitive events. As our competitor numbers grow it makes the need for help during the conference critical. Advisors will be expected to help all days of the conference. Final assignments will be made and communicated in February by the Series Events Coordinator, the Written Events Coordinators and the Executive Director. Please plan to arrive 15 minutes prior to the student briefing/testing time on Sunday to receive your assignments from the coordinators and directors.

Please list the names of all the adults that will be in attendance at SCDC and check ✓ below if the individual is a chapter advisor or chaperone.
