

# Competitive Events Testing Schedule

This year three testing sessions are being offered for the five exams (see *The DECA Guide 2011-2012*). Students can participate in a maximum of four (4) events, which may not consist of more than two (2) series events (one per day) and/or two (2) written events. Both Professional Selling Events (HTPS & PSE) count toward the four (4) event total.

Students can take one to three exams, but can not take two exams in the same testing session. This means that students competing in FTDM or ACT would not be able to compete in any of the events that require the *Hospitality and Tourism Exam* and vice versa. Students competing in BLTDM will not be able to complete in any of the events that require the *Business Administration Core Exam* and vice versa.

## 1<sup>st</sup> Testing Session

---

### *Marketing Exam*

#### **Monday Events      Tuesday Events**
