

Adult Registration Form

All advisors and chaperones will be needed to assist with competitive events. As our competitor numbers grow it makes the need for help during the conference critical. Advisors will be expected to help all days of the conference. Final assignments will be made and communicated in February by the Series Events Coordinator, the Written Events Coordinators and the Executive Director. Please plan to arrive 15 minutes prior to the student briefing/testing time on Sunday to receive your assignments from the coordinators and directors.

ALL Adults attending the conference must be registered. To register your adult attendees visit the online conference registration system: <https://www.decaregistration.com/or>

Once you are logged into the system click on the "Registration" button. At the bottom of the next page there is a button that reads "Add Non-Student" click on this link and complete the form to register EACH and EVERY adult who will be attending the full conference.
