

STUDENTS PREPARED FOR TOMORROW

For more information:
www.oregonskillsusa.com

SkillsUSA is a student leadership organization for trade, technical, and skilled service occupations. It is a partnership of students, teacher advisors and industry representatives working together to ensure that America has a skilled workforce in the future. It helps each student to excel. SkillsUSA Oregon is part of the Student Leadership Development Center at Willamette Education Service District and funded through the Oregon Department of Education. SB 5519 is the funding resource for 2009-2011.
